That was even before my time...not sure I ever saw that letter. Let's see what Tom has.

Hey Karen,

I'm studying up on my texts trying to prepare for the meeting we have next week with the other agencies about how to update the WQCP. I re-read the 'history' section of the State Board's flows report and was reminded that we need to get all of those historical letters up on our website. Do we by any chance have a copy of the letter we sent to the Board disapproving their WQCP way back in the day?
